

STOP Attention families: This centre has a gastro outbreak

Notify the child care centre as soon as possible if you or your child is unwell with vomiting and/or diarrhoea

Keep your child home while they are sick

Children and staff should not attend the centre until they have had no vomiting or diarrhoea for at least 48 hours during this outbreak

Wash/gel your hands

on entry and on leaving this facility

Your assistance with these requirements is appreciated.
Please talk to the director if you have any questions.
